GXO Logistics Procurement Team thoroughly enjoyed our Christmas party at the County Ground.

We were welcomed with bubbles to a lovely festive room. Our table was beautifully decorated with name cards for all guests. The food and drink was delicious and the staff very friendly and attentive. We danced all evening to the top D.J. We would certainly book this venue again for our events.

I just wanted to say a big thank you to you and your team for such a great night. We all thoroughly enjoyed our Christmas Party and all your staff were helpful & friendly and couldn't do enough for us all with a smile as well.

We will certainly consider you next year for our Christmas Party in 2022.

Thank you to all at NCCC for hosting the Route 1 Christmas Party. The event was well organised with attentive and personable staff attending on the evening.

The food was tasteful and well presented, definite value for money and we will be recommending and returning.
